Form CRS – Client Relationship Summary

Item 1: Introduction

Capasso Financial Planning, LLC (“our firm”, “we, “us”) is registered with the Securities and Exchange Commission as an Investment Advisor. Brokerage and investment advisory services and fees differ, and it is important for the retail investor to understand the differences. Free and simple tools are available to research firms and financial professionals at [Investor.gov/CRS](https://investor.gov/CRS), which also provides educational materials about broker-dealers, investment advisers, and investing.

Item 2: Relationships and Services

What investment services and advice can you provide me?

Our firm offers portfolio management and financial planning services to retail clients. We will spend time with you to find out your goals and then offer the appropriate level of services based on that discussion. We offer our services on a discretionary basis, meaning we have the authority to supervise and direct your portfolio without prior consultation with you and a non-discretionary basis, meaning we will ask for your consult prior to placing any trades. You do have the opportunity to impose restrictions on your account to us in writing, unless the restrictions impair us from our ability to properly service your account. Our investment advice is not limited to any particular type of security. We may select third-party investment advisors to manage all or a portion of your account. We will review your account at least monthly. We do not require you to have a minimum amount of assets to open an account with us.

For additional information regarding our services, please see items 4, 7, and 13 of our [Form ADV Part 2A](#).

Ask us the following questions:

Given my financial situation, should I choose an investment advisory service? Why or why not?

How will you choose investments to recommend to me?

What is your relevant experience, including your licenses, education, and other qualifications? What do these qualifications mean?

Item 3: Fees, Costs, Conflicts and Standard of Conduct

What fees will I pay?

For our services, you will pay us a quarterly fee based on a percentage of assets you have with us. The more money you invest with us, the more fees you will pay, therefore we have an incentive to encourage you to increase the assets in your account. We may provide you additional financial planning services, you will pay either a fixed or an hourly rate agreed upon with you at the time of signing your agreement. If your assets are invested with a third-party investment advisor, you will pay additional management fees to those third-party investment advisors. While we do not charge you the following, you may also pay fees such as custodial fees, commissions, transactions fees, mutual fund and ETF fees, and account maintenance fees.

YOU WILL PAY FEES AND COSTS WHETHER YOU MAKE OR LOSE MONEY ON YOUR INVESTMENTS. FEES AND COSTS WILL REDUCE ANY AMOUNT OF MONEY YOU MAKE ON YOUR INVESTMENTS OVER TIME. PLEASE MAKE SURE YOU UNDERSTAND WHAT FEES AND COSTS YOU ARE PAYING.

For additional information regarding our fees, please see item 5 of our [Form ADV Part 2A](#).

Ask us the following question:

Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here are some examples to help you understand what this means.

Representatives of CPP LLC are licensed insurance agents and, from time to time, will offer clients advice or insurance products from this activity. These services can pay a commission and this presents a conflict of interest, as these products conflict with the fiduciary duties of a registered investment adviser.

For additional information regarding our conflicts, please see item 14 of our [Form ADV Part 2A](#).

Ask us the following question:

How might your conflicts of interest affect me, and how will you address them?

How do your financial professionals make money?

Our financial professionals are paid a portion of the management fees paid by you.

Item 4: Disciplinary History

Do you or your financial professionals have legal or disciplinary history?

No. Please visit [Investor.gov/CRS](https://investor.gov/CRS), for a free and simple tool to research our firm and financial professionals.

Ask us the following question:

As a financial professional, do you have any disciplinary history? For what type of conduct?

Item 5: Additional Information
